

SWAHILI

Did you know that Swahili is widely spoken in Uganda?

Uganda is one of the focus countries in our Partnership for the Goals magazine. Read some common Swahili phrases below. Can you pronounce any of the words? You can learn how to pronounce them by watching this video:

<https://www.youtube.com/watch?v=yfUAT500b-w&t=60s>

Take a video / recording of you speaking some of the phrases that you learned, or why not use different writing styles, fonts or colours to display your favourite phrase?

Send it to us on social or via email, for the chance to feature in our Global Goal Getters, online children's magazine. You can send your email to:
ourworld@realnation.ie

You can learn about Uganda from our Fact File on page 7 of our pupils' magazine.
