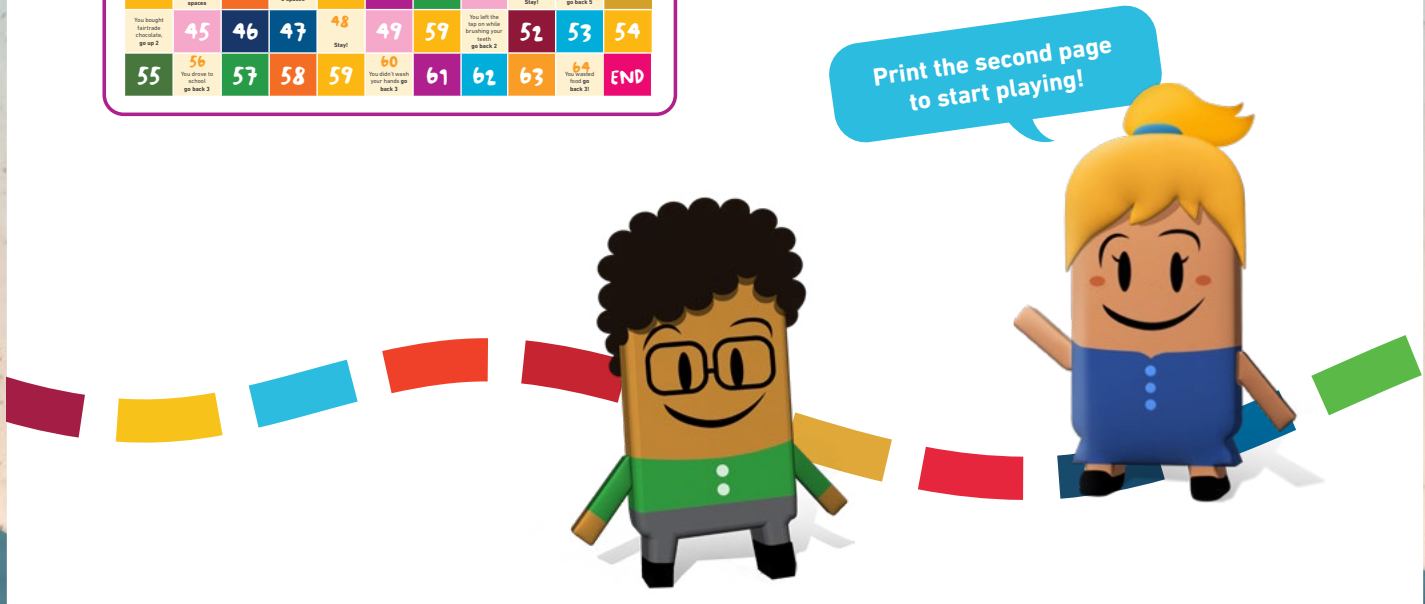
Games for Change

Games can be a fun way to learn about the Global Goals and how to be a global citizen. Grab a dice and see if you can complete this fun board game! Just roll the dice and follow the instructions on the board.

Print the second page to start playing!



This game is based on a featured submission from 3rd – 6th class pupils, check it out in the Global Goal Getters (Issue 1), our online children's magazine. Maybe you can create your own game about Irish Aid, the Global Goals or Global Citizenship? Send us your ideas to for your chance to feature in the next issue of the magazine!
