A Million Dreams

I close my eyes and I can see
A world that's heating up on me, that I call my own
Through the burning up of fuel.
The world can't take it, it's so cruel
And this world's our home.

They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, if they call me crazy
We can live in a world that we design

'Cause every night, I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make

There's a world we can build
Every child on earth is filled, no hunger, no war.
So many things we can do
To share the love with others too, find peace for evermore.

They can say, they can say it all sounds crazy
They can say, they can say we've lost our minds
I don't care, I don't care if they call us crazy
Run away to a world that we design

'Cause every night, I lie in bed
The brightest colours fill my head

A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh, a million dreams for the world we're
gonna make
However big, however small
Let change be part of it all

Share your dreams with me
We may be right, we may be wrong
But I wanna bring you along to the world I see
To the world we close our eyes to see
We close our eyes to see
Every night, I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make
Let's help the world for everybody's sake
