

Dear Teacher,

Welcome to our **Distance Learning Teacher Bundle**, a new resource as part of the Our World Irish Aid Awards 2020/2021.

We've put together a selection of worksheets suitable for distance or at-home learning that you can use to teach your pupils about Global Citizenship, the Global Goals and the work of Irish Aid.

All of the resources are ready-to-use, **curriculum-linked**, and contain a range of activities for 3rd – 6th class pupils. Just peruse the contents section on the second page to see which topics and activities resonate with what you are learning with your class or you might choose to do one of the activities as a fun project or homework assignment.

You can find additional **lessons, activities, and fun challenges** on our [website](#) and by following our Facebook page [@ourworldawards](#).

Also, be sure to keep a look out for the first issue of our online children's magazine, the **Global Goal Getters** coming out this February. If you'd like your pupils to have a chance to feature in our second issue, submit any of the work completed from this pack to us via email to: ourworld@realnation.ie

Kind regards,

Terri Cole
