

# Recipe for Gender Equality

Achieving the Global Goals by 2030 to make the world a better place is a huge goal that requires all of us to work together. Women and girls play important roles in our societies and it is important that they are valued and respected all across the world.

What are the ingredients for success in achieving **Goal 5: Gender Equality**? What do we each need to do to raise awareness of this goal in our everyday lives? If you could write a recipe for everyone to follow to help them achieve this goal, what would it be?

Use our worksheet to create your own **Recipe for Gender Equality**.
