Activity 2

Ethiopia

Population: 120.8 million

Story of progress: Working with the Ministry of Health in Ethiopia, Irish Aid gave money for the vaccination of 15 million children against measles.

Ethiopia, Tanzania and Uganda are all in East Africa. Can you find these 3 countries on a map of our world?

Tanzania

Population: 63.3 million

Story of progress: Irish Aid gave money for a climate smart agriculture project in the Dodoma region in Tanzania. This project set up a market for farmers so that they could sell their sorghum (millet) crop.

Uganda

Population: 48.4 million

Story of progress: Rinyamoe Ignatius Loyla is a retired Ugandan government worker. With funding from Irish Aid, Rinyamoe worked with UNICEF (a United Nations agency) and Voluntary Service Overseas (a non-governmental organisation) to turn his garden into an outdoor classroom for local children during COVID-19 school closures.

“My love for education inspired me” – Rinyamoe Ignatius Loyla

Malala Yousafzai

Activity 2

Malawi

Population: 20.2 million

Story of progress: Landen and Eliza Manjolo took part in Concern Worldwide's Tiwoloke programme. The support they received meant that they were able to start a motorcycle taxi business. The money they earned from this business meant they could build a new kitchen.

1 NO POVERTY

8 DECENT WORK AND ECONOMIC GROWTH

10 REDUCED INEQUALITIES

17 PARTNERSHIPS FOR THE GOALS

Malawi and Mozambique are neighbouring countries in Southeast Asia. Can you find these 2 countries on a map of our world?

Mozambique

Population: 33.1 million

Story of progress: Irish Aid provided funding to a crochet group in Manhure Village in the Niassa reserve (park) to teach 18 women and 2 men how to make toys of local wildlife. They use the money from selling these toys to buy food for their families.

Activity 2

4 QUALITY EDUCATION

5 GENDER EQUALITY

10 REDUCED INEQUALITIES

Sierra Leone

Location: West Africa

Population: 8.3 million

Story of progress: Ireland worked with the Ministry of Education in Sierra Leone to make sure that schools have clean water and working toilets.

4 QUALITY EDUCATION

6 CLEAN WATER AND SANITATION

10 REDUCED INEQUALITIES

17 PARTNERSHIPS FOR THE GOALS

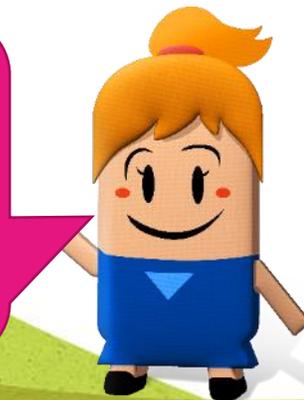

Vietnam

Location: Southeast Asia

Population: 99 million

Story of progress: Irish Aid gave money to the Helen Keller International (a non-governmental organisation) to run agricultural training for people without paid jobs. Bui Thi Tiep, a mother of two, took part in this course and now has an impressive home garden, and trains other farmers in her community.

Can you find these 3 countries on a map of our world?

Zambia

Location: Southern Africa

Population: 19.5 million

Story of progress: Maria Mutambo from Zambia is one of 10 children. After secondary school, her family couldn't afford for her to continue her education. But, Maria was able to take part in Irish Aid funded construction training and now works as a bricklayer.

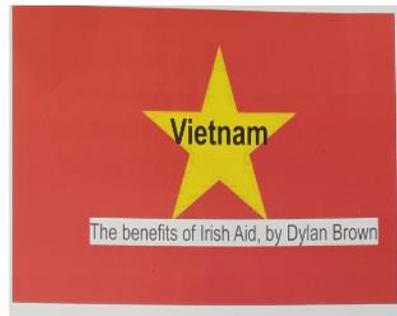

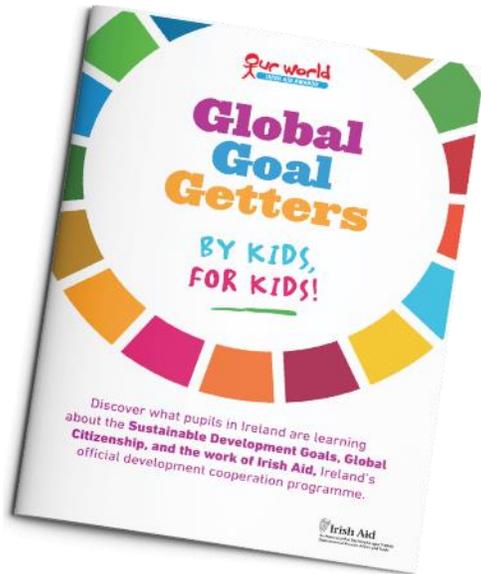

Activity 3

Here are some of the fantastic examples of children's work published in Global Goal Getters online magazines in the past. See <https://www.ourworldirishaidawards.ie/global-goal-getters/> for more great examples.

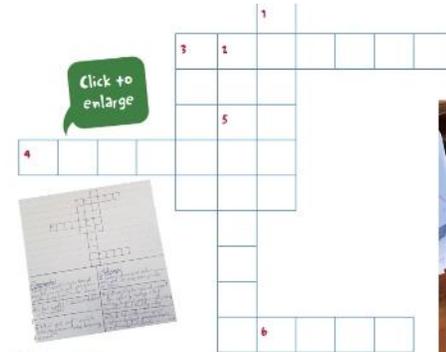

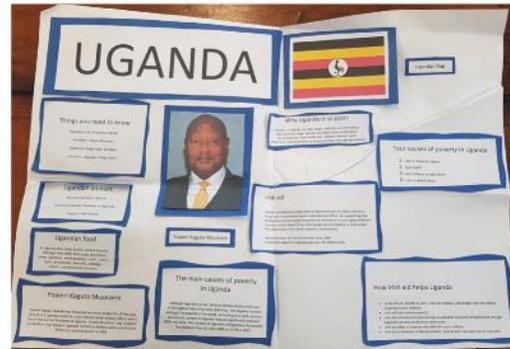

St. Brigid's BNS Foxrock, Co. Dublin

Check out these interesting projects from 6th class at St. Brigid's BNS Foxrock – Uganda by **Donncha McDonald** and Vietnam by **Dylan Brown**.

St Fiachra's SNS, Dublin

Joseph McNamara, a 6th class pupil from St Fiachra's SNS created this clever animation illustrating how Ireland lends a 'helping hand' by working in partnership with other countries.

- Downwards:**
1. Ireland supported Sierra Leone, it provided _____ to girls from poorer families during Covid-19 school closures.
 3. What affected 1.5 billion children in the world?
 5. Which girl said 'I want to serve my community by becoming a nurse'?

- Sideways:**
1. Cooking stoves and solar _____ were given to very poor families in Malawi.
 4. What country did Ireland support the system of sending a text message to poorer families with important information about healthy eating?
 6. Each kit contained a school uniform, a backpack, five schoolbooks, a mathematical set, pencils, _____, and a plastic folder.
